HOTEL

Hampton Inn & Suites
1328 Highway 146 South
La Porte, Texas 77571
281-842-9566

The Texas Narcotic Officers' Association East Region along with the La Porte Police Department will host a 3-day (24 hours) training course titled **“MICRO LABS: FENTANYL, ONE POT, BHO & SYTHETICS HAZARDS & HANDLING”** provided by the Midwest Counterdrug Training Center (MCTC) in La Porte, Texas.

Registration is open through MCTC and TCOLE hours will be available. Check in will begin at 0715 on Monday, March 25, 2019 and the course will start promptly at 0800 hours.

COURSE OVERVIEW

This course is designed to introduce law enforcement officers to the chemistry of domestic micro drug labs in order to better understand the processes and the hazards associated with these labs. This course shall cover safety practices, including the use of various engineering, administrative and personal protective equipment (PPE) hazard controls, to protect law enforcement that handle, sample and dismantle these drug labs.

REGISTRATION / TUITION

The Midwest Counterdrug Training Center has been serving the country's law enforcement community for over 15 years. MCTC provides **“NO COST”** counterdrug training to all levels of law enforcement to include patrol, interdiction, investigation, operational, and technical.

To self-register for this course please register on line through MCTC at:

<https://counterdrugtraining.com/EBForms.aspx?EBID=12618>

******CLASS IS LIMITED TO 50 STUDENTS******

Any questions regarding this course or registration should be directed to East Region Training Director HPD Officer Jerry McClain at 281-808-5929 or jmccclain@houstonhidta.net
