UDT Advanced H2H Combat for Women Officers ONLY – UDT wants women officers **ONLY** for a special class designed for and directed toward the unique needs AND wants of the female officer. To be eligible to take this class, you will have to take one day of each, the H2H and TacRAT classes during the week of September 25th.

This four hour course will take your stand up and ground fighting to a whole new level. More advanced skills as well as being pushed a bit harder – the bad guys aren't going to be easy on you ... and you know it!! Advanced "mindset" training will be covered as well.

Come ready to work hard!!!
